

WALDUR

TURNKEY CLOUD MONETIZATION ENGINE

A **WHITE LABEL**
SOLUTION

WITH RAPID
TIME-TO-MARKET

THAT GRANTS YOU
UNIQUE CONTROL

STRATEGIC POSITIONING

Govern Resources in Real Time

Manage your multi-service delivery – including business views and service adoption metrics – with **real-time monitoring** and decision **granularity**.

Unify Multi-Cloud Delivery

The platform **overrides differences** between various back-end providers, enabling you to deliver **consolidated** business processes, such as metering, billing and analytics.

Gain Control

Best **strategic decisions** in cloud monetization are based on **good data**. Utilize **aggregated** data flows and implement ubiquitous access policies.

BUSINESS BENEFITS

Increase CAPEX Efficiency & Shift OPEX

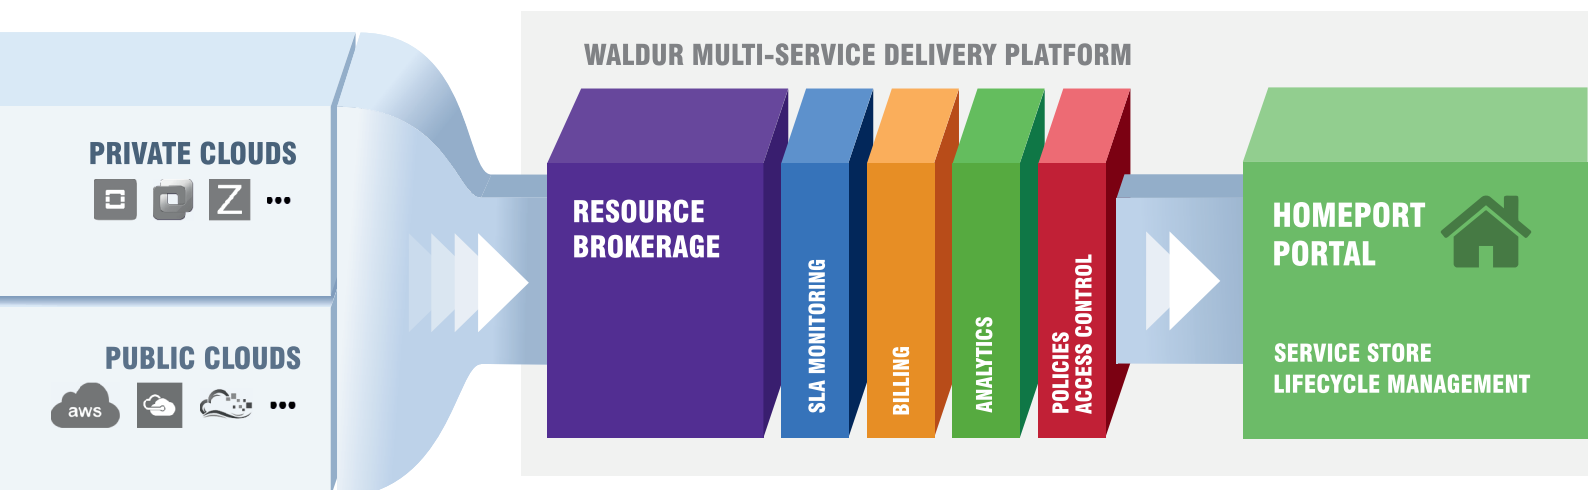

Waldur **increases** future **ROI** by adding value to your services. It also **delegates** your routine **operations** to your customers by giving them the wheel via HomePort.

Funnel Clouds into Unique Solutions

Cloud **brokerage** enables you to deliver hybrid solutions from multiple providers. You **capitalize** on consistency and **efficiency**.

Empower Customers via HomePort

Your customers use and **manage resources** in a unified self-service portal, HomePort, which lowers costs and provides you with vital **insights** into their behavior.
